- Main Meeting Area:**
 - Microsoft Teams Meeting Controls:** A red box highlights the top bar of the meeting window.
 - Text:** "For technical assistance contact Stephen McBay" and the email address mcbay.stephen@epa.gov.
 - Image:** EPA logo.

EPA's Pre-Remedial Activities at Coney Island Creek

Agenda

Introductions

What EPA Is Doing In Your Community

Where To Find More Information

Questions and Comments

Conclusion

On the Call

Donette Samuel, Community Involvement Coordinator

Shereen Kandil, Community Affairs Team Lead

Denise Zeno, Site Assessment Manager

Angela Carpenter, Branch Chief

Introductions

Background

EPA received a request to perform a Preliminary Assessment from a community member.

Preliminary Assessment

Discover site in
EPA's database (SEMS)

Review historical
information

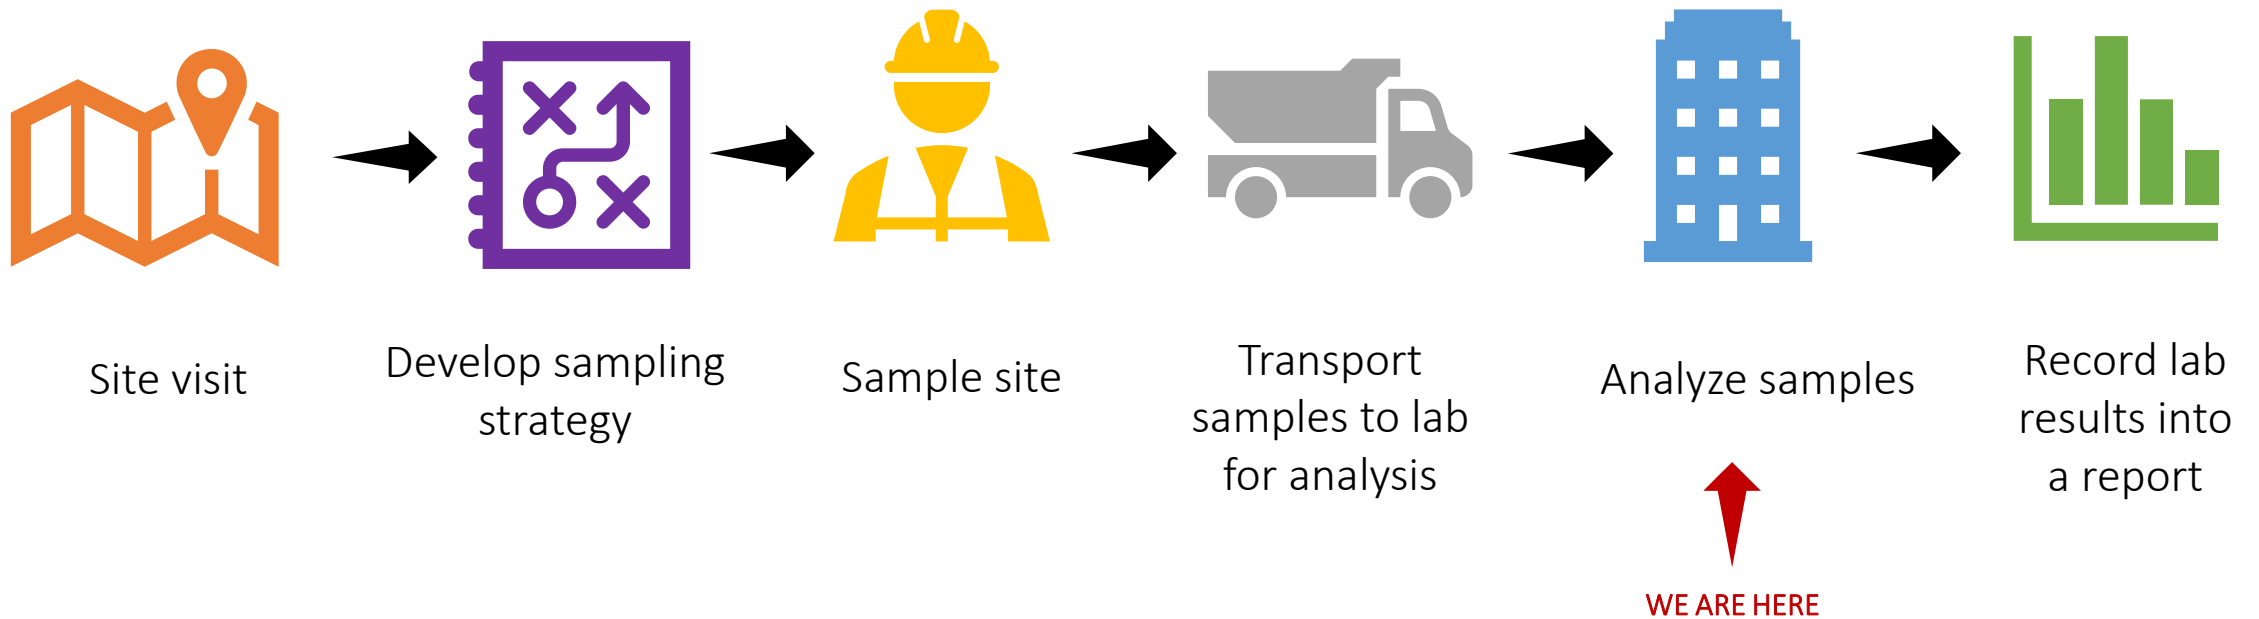

Evaluate the potential
for a hazardous
substance release

Determine if future
investigation is needed

Site Inspection

Analyze Samples

Types of sample: surface water and sediment samples

Contaminants under examination:

Volatile organic compounds (VOC),
Semivolatile organic compounds (SVOC),
Pesticides,
Polychlorinated biphenyls (PCBs), and
Metals

Sampling

Executive Director of the Coney Island History Project

How does EPA's role differ from other active Agencies and Organizations in the region?

FEDERAL AGENCY WORKING TO PROTECT HUMAN HEALTH AND THE ENVIRONMENT. ENSURES CLEAN AIR, LAND, AND WATER

**US Army Corps
of Engineers®**

FEDERAL AGENCY PROVIDING PUBLIC AND MILITARY ENGINEERING SERVICES

NEW YORK CITY ECONOMIC DEVELOPMENT CORPORATION

NONPROFIT CORPORATION PROMOTING ECONOMIC GROWTH IN NYC THROUGH REAL ESTATE DEVELOPMENT

LOCAL AGENCY WORKING TO MANAGE AND CONSERVE THE NEW YORK CITY ENVIRONMENT

STATE AGENCY WORKING TO CONSERVE, IMPROVE AND PROTECT NEW YORK'S NATURAL RESOURCES AND ENVIRONMENT

What does the EPA Community Involvement Coordinator want you to know?

Don't hesitate to contact us
with questions/concerns

Be patient during the
pre-remedial activities

The site may/may
not need additional
investigation

You will be kept
informed

For more information about EPA's
work at Coney Island Creek, visit:

Questions and Comments

Instructions for asking questions.

Please keep your lines muted.

Q&A Session

We will first answer the questions presented in the chat box during the presentation. During this time, please **keep your lines muted**. After the questions in the chat box are answered, we will open the lines for live questions and comments.

Call out categories (elected officials, residents, businesses) and by alphabetical order (A-G, H-N, O-T, U-Z). For example: residents with last names A-G

When presenting questions and comments, please state your name and affiliation followed by your question or comment. For example: **“Jane Doe, resident of Brooklyn, NY: Where is the Coney Island Creek site?”**

Questions and comments conveyed by phone:

- To unmute phone use (*6)

Questions and Comments

Written questions/comments from the chat.

Please keep your lines muted.

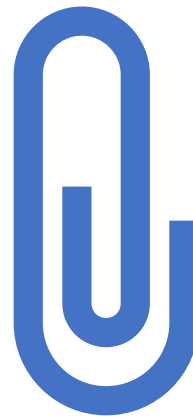

Questions and Comments

Verbal questions/comments from attendees.

Please keep your lines muted.

THANK YOU!
